## Who We are

*The Society of Sisters of Charity Lourdes Convent was established the in year 1984 with an aim to be empowering hands to the Distressed women and girls, unwanted children and to the community of vulnerable persons.*

*It is a voluntary organization registered under Societies Registration Act XXI of 1860 with a humanitarian approach for obtaining lasting improvement in the quality of life of marginalized women, girls, children and communities living in abject poverty and injustice.*

*In order to reach out to the far and vulnerable areas in Kerala, Lourdes Society has established different convents and institutions in all the districts of Kerala through which various social work activities are being conducted.*

*We have now set up a Social Development Office, with the name **SCOPE** (Sisters of Charity's Outreach for People's Empowerment), with independent functions to take care of all our developmental activities. In due course of time this office will function as an independent organisation, working side by side with the congregation to serve the poor and needy in a more tangible manner. **SCOPE** will be the Outreach Cell of the Sisters of Charity, which will coordinate all the development activities of the various institutions in Kerala.*

## Our Vision
